Call for Papers on Energy Security and the Strait of Hormuz

The Centre for Global Policy Research (CGPR) invites enthusiastic academics, researchers, Ph.D. scholars, and development practitioners to contribute their original and unpublished research manuscripts on the proposed theme, "**Energy Security and the Strait of Hormuz**" for publication as a Policy Analysis by CGPR. The manuscript should be the author's own original work, and does not duplicate any other previously published work, including the author's own previously published work. It is not under consideration or peer review or accepted for publication or in press or published elsewhere. Manuscripts will be peer reviewed by two anonymous reviewers and editor. The decision to accept or reject a manuscript will be made as per recommendations of the anonymous reviewers. Manuscript will be accepted on the basis of novelty and its contribution to the existing literature.
