Ermita, Manila, Philippines

PROFESSIONAL SUMMARY

I am a dedicated and certified teacher with over fifteen years of teaching experience. I have successfully implemented differentiated instruction and inquiry-based teaching methods, resulting in significant improvements in student engagement, proficiency levels, and overall academic performance. I have led research and extension initiatives, enhancing the quality of academic output. My dedication to excellence in education is further demonstrated by my recognition for outstanding teacher performance.

PROFESSIONAL EXPERIENCE

Assistant Professor 1- present, Department of Languages, Technological University of the Philippines-Manila Campus

Manage faculty assignments, instructional quality, and academic policy execution. Assumes a pivotal leadership role, overseeing academic, administrative, and operational functions of the unit.

Assistant Professor 1- 2023, Technological University of the Philippines-Manila Campus

Conduct research and publish its results, advising undergraduate and graduate students, and providing public, departmental, college, and university service.

Instructor 3 – 2022, Technological University of the Philippines- Manila Campus

Teach according to the educational needs, abilities and achievement of the individual students and groups of students.

Assistant Senior High School Principal – 2016, Technological University of the Philippines- Manila Campus

Supervises those staff members as designated by the principal. Gives work direction as required to all persons who are assigned to provide services in the school to assure the effective functioning and coordination of all activities in the school.

Full-Time Faculty – 2007, University of the East, Manila Campus

Dedicated to high-impact teaching and learner-centred instruction, employing innovative pedagogical strategies to enhance student achievement. Beyond classroom responsibilities, it contributes to academic advising, assessment, and continuous program improvement.
